

## Ladies Learn to Golf Instructional Group

This program is designed for golfers of all ability levels. Each session consists of a ½ hour lesson followed by 9 holes of golf with a cart. If you prefer to continue practicing on the driving range instead of playing 9 holes, additional instruction will be offered at that time.

The lessons will systematically take you through many of the situations encountered on the course and build a strong foundation for the game of golf. The group will meet as two groups on Wednesday evenings at 5:00 p.m. and 5:30 p.m. The 12 week program will include 10 weeks of instructions with an additional 2 weeks of special events as follows:
