MACC FUND

Hope for Kids

44 Years of Giving Hope

The MACC Fund has spent the last 44 years raising critical funding for groundbreaking cancer and related blood disorder research to give hope to kids battling the diseases. Co-founded by Eddie Doucette, the first official voice of Milwaukee Bucks, and Jon McGlocklin, a Wisconsin Athletic and Indiana University Hall of Famer, the MACC Fund has helped dramatically increase childhood cancer survival rates from 20% in 1976 to 80% today.
